10-Year Limited Commercial Warranty  
Lifetime Residential Warranty

### MANUFACTURE LIMITED WARRANTY

• Except as set forth below in "Limited Wear Warranty," this product is warranted to be free from manufacturing defects over industry standard (5% of total flooring quantity) for one year from the date of purchase. Should a defect occur within the stated warranty period, the Manufacturer will, at its sole discretion, either repair or replace that portion of the flooring determined to be defective with the same or a similar style, quality, size, color, grade, and gauge. Suppose the Manufacturer is unable to furnish an equivalent replacement product. In that case, Manufacture may, at its sole discretion, elect to refund a portion of the original purchase price comparable to the value of the defective portion of the floor.

• If a Licensed Professional Flooring contractor professionally installed the floor, the Manufacturer will pay reasonable costs for claims that arise during the first year of the warranty period; provided such fees shall be paid for product defects, not improper installation. Reasonable labor costs shall be determined solely by the Manufacturer.

### LIMITED WEAR WARRANTY

- The flooring is produced with a protective vinyl wear layer. The vinyl wear layer of the floor plank is warranted not to wear through regular use for the life of the limited Warranty.
- Vinyl layer wear-through is defined as 100% vinyl layer wear-through that exposes the core material over a minimum of 3% of the total installation.

\*Loss of Gloss, surface scratches, scuff marks, and abrasions are not considered surface wear.

• If 100% vinyl layer wear-through is determined to have occurred, the Manufacturer will either repair or arrange a pro-rated credit based on the terms outlined below in "Terms of Residential & Commercial Limited Wear Warranties".
